Online Youth Volunteer Agreement & Digital Code of Conduct

ESL Volunteer Instructor Program · Trujillo, Peru

Thank you for dedicating your time and bilingual skills to serve as a volunteer instructor for the online English language program of **Rising with Melodies Inc.** Our virtual classrooms connect student leaders in the United States with youth learners in Trujillo, Peru, as part of the Corporation's charitable mission to empower vulnerable children and families through education.

Because our program operates in a digital space with minor students across international borders, all volunteers must review, sign, and adhere to this Agreement. Youth volunteers between the ages of 14 and 18 participate through the **Youth Advisory Board (YAB)**, established under *Article Seven of the Corporation's Bylaws*, and are subject to adult oversight at all times.

Inclusive Program Notice: The students served by Rising with Melodies Inc. include children with disabilities, among them learners on the autism spectrum (Autism Spectrum Disorder, ASD). All volunteers are expected to approach every student interaction with patience, flexibility, and respect for each child's individual pace and learning style. Volunteers are not required to have prior experience working with students with disabilities, but are expected to follow all guidance provided by program coordinators and to immediately report any concerns to **Linder Lopez, President**, or an adult Board member.

No sessions may be held on unapproved platforms or personal video applications.
- 2 **No Private Contact with Students.** Volunteers are strictly prohibited from exchanging personal social media handles (Instagram, TikTok, Snapchat, or similar), personal phone numbers, personal email addresses, or any private messaging profiles with students in Peru. All communication must occur exclusively within the structured online classroom environment managed by Rising with Melodies Inc.

The background visible on camera must be neutral, tidy, and appropriate for an educational environment. Lighting and audio must be adequate for clear instruction.

Adult Board members or designated coordinators of Rising with Melodies Inc. retain full administrative access to all virtual classrooms and may join any session unannounced to monitor safety, provide support, and ensure program quality. **Bylaws Art. - 5 **Mandatory Incident Reporting.** If a student shares any safety concern, discloses personal hardship, or if any inappropriate behavior occurs during an online session, the volunteer must *immediately* report the incident to **Linder Lopez, President**, or any adult Board member of Rising with Melodies Inc. Volunteers shall not attempt to independently address or resolve safety incidents involving students.
- 6 **Confidentiality.** Volunteers may not share, publish, record, screenshot, or distribute any images, video, audio, or personal information pertaining to students, their families, or the Corporation's program operations without the prior written consent of the Board of Directors of Rising with Melodies Inc.
- 7 **Session Attendance and Reliability.** Volunteers commit to attend their scheduled sessions punctually and to provide at least 48 hours' advance notice to the assigned adult supervisor if they are unable to attend. Repeated unexcused absences may result in removal from the volunteer program.
- 8 **Mission Alignment.** All volunteer instruction must remain consistent with the Corporation's charitable mission as set forth in *Article Two of the Bylaws*: to empower vulnerable children and families — including children with disabilities and neurodiverse learners — through structured educational programs, English language instruction, and mentorship. Volunteers shall not introduce content, materials, or activities that conflict with the Corporation's 501(c)(3) educational and charitable purpose. **Bylaws Art. II §1**
